CALYX CHARGES AND REGULATORY INFORMATION

Calyx Standard Charges and the effects on a hypothetical investment portfolio are set out below. Your actual charges will be as agreed, and recorded on the Engagement Letter.

Discretionary Management Fee

1% per annum, calculated on the monthly average of the assets under management (AUM) and charged quarterly in arrears, subject to VAT where applicable

We will notify you in writing any change of fees in the future. Your custodian bank will charge you separately for custody and execution services. We do not receive any fees or third-party payments in relation to these services.

Lombard Lending

An administration fee of £2,500 will be charged (if applicable).

Cost & Charges Summary

For illustration purposes, we aim to provide a forward-looking twelve-month period and the potential effects of such costs and charges on a hypothetical investment amount. We have based the summary below on £1,000,000 Balanced Portfolio.

Amount	Amount	Percentage (%)
On-going charges paid to Calyx for management service provided	£10,000 (Subject to VAT where applicable)	1.00%
Cost related to ancillary services not included above (custody cost charged by the custodian, including transaction costs).	£5,500	0.25%
All on-going costs and charges relating to the underlying financial instruments (such as Funds, ETFs, etc.) which are deducted at source from the Net Asset Value of the financial instrument during the holding period.	£6,500	0.65%
Total Aggregated Cost	**£19,000**	**1.90%**

Cumulative effect of costs and charges on the return of the investment.

Below illustrates the total charges deducted and the impact these could have on the investment return based on a hypothetical investment of £1,000,000. The costs and charges effect are illustrated over a one and five year term assuming a 6.00% net growth rate and a gross return of 7.90%.

Investment Period	Year 1	Year 5
What you might get back if no charges at all	£1,079,000	£1,462,538
What you might get back after charges	£1,060,000	£1,338,226
Cumulative effect of costs and charges on return	£19,000	£124,313
